Social Security Work Incentives Workshops for Consumers

Consumers come and learn how employment will affect your cash and medical benefits. Please sign up for the workshop that matches the kind of Social Security you receive. If you are unsure which kind you receive, David can help you figure that out when you call to RSVP. From now on, we will be having separate workshops for each type of benefit: Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) because each program has different rules and different work incentives. If you receive both, let David know and he will help you get an appointment with a Work Incentive Specialist. Family members and/or support person are welcome.
